

# Where elegance & opulence meet

A gracious setting with a countryside atmosphere yet only 30 minutes from Gauteng, Bellgables offers those who are looking for something a little more extraordinary nothing less than a delight for the senses.

Bellgables incorporates the visual appeal of classical eclecticism with the delicate smells of an abundance of fresh flowers; teamed with hosts who leave absolutely no detail unattended to. Table settings transform into exquisite visions with each piece carefully selected and placed to allow for the ultimate dining experience.

Delectable cuisine is meticulously prepared by patron chef Errol Gobey, an inductee into the Confrerie de la Chaine des Rotisseurs as Maitre Rotisseur. Awards dished out to Bellgables include being named one of the top 30 restaurants by Moët & Chandon.

The Old Dining Room seats 30 people comfortably while the Crystal Terrace Room can accommodate 80 guests. Bellgables can accommodate a maximum of 100 people and for a perfect chapel backdrop, one could consider the art gallery, which houses an impressive collection built up over many years.

When one is surrounded by such elegance, any occasion will remain a memorable one.
